Cleá Eco-Friendly Wide-Dry Roll Hand Towel

Item #: CL1050W

- Premium environmentally-friendly
- Made with strong, absorbent and sustainable materials
- White, 23lb basis weight
- Premium-grade and embossed for more efficient drying
- 10" x 9.25'/roll
- 6 rolls/case

Eco-Friendly Option

Our environmentally-friendly roll towels meet and exceed EPA guidelines for post consumer waste content. These quality towels have a heavy basis weight, are embossed, and have a high wet/tensile strength.

Premium Features

- Our wide paper encourages one sheet per hand dry, resulting in substantial paper savings, and reduced change outs
- Single-sheet dispensing
- Eliminates cross-contamination
- Controls usage and reduces costs
- Motion-activated, free of cranks and levers
- Labor savings
- Never-out stub roll feature

Sleek, Professional Look

Cleá offers an easy change-out of recessed folded towel cabinets to either one of our hands-free dispensers. This will immediately save up to 40% on paper costs.

- Stub roll feature allows maintenance staff to maximize dispenser capacity & extend service intervals, while eliminating stub roll waste
- Each serving of towel is pre-measured at 12" to limit consumption
- Durable plastic construction, and a locking door prevents vandalism, product pilferage, and waste
